

Andy's top tips Wed 25th July

Tremelo: Strum with index finger, slowly then get faster and faster.
The faster, the lighter the touch. Magic!

Roll: Strum but with all Four fingers separately in order: strongly.

Calypso strum: DDUUDU to rhythm 1 2 and and 4 and
We plan to sing **mary's boy child** and **the calypso carol** at Christmas,
So this is a good one to practice.

Intro to Amore: Cm and Fm: Use 3 fingers for Cm, pinkie, ring and middle,
Leave pinkie in place and put index and middle on first fret for Fm

Blues riffs 1: index and middle finger on C and A string, strum CEA only,
From 4th fret to 1st fret

Blues riffs 2: stack 3 fingers on second fret, GCE 2 strums
then put pinkie on A fret 2, 2 strums, then pinkie on A third fret, 2 strums
back to pinkie on A second fret 1 strum then pinkie on A third fret, 1 strum
back to pinkie on A second fret 1 strum.
