[C] Is it a kind of [F] dre[C]am [C]
[Am] floating out on the [F] ti[C]de [C]
[G] Following the [G7] river of [C] death down[F]stream
Or [Dm] is it a [G] dream

There's a [C] fog along the hor[F]i[C]zon [C]
A [Am] strange glow in the [F]sk[C]y [C]
And [G] nobody [G7] seems to know [C] where you [F] go
And what does it [E7] mean
[Ebdim] Oh [C] oh [G7] is it a [C] dream [C]

Bright [Em] eyes [F] burning like [G7] fire [G7]
Bright [Em] eyes [F] how can you close and [Dm] fail
[E7] How can the [Am] light that [G7] burned so [C] brightly
[F] Suddenly burn so [Dm] pale
[G7] bright [C] eyes

[C] Is it a kind of [F] sha[C]dow [C]
[Am] Reaching in to the [F] nig[C]ht [C]
[G] Wandering [G7] over the [C] hills un[F]seen
Or [Dm] is it a [G] dream

There's a [C] high wind in the [F] tree[C]s [C]
A [Am] cold sound in the [F] ai[C]r [C]
And [G] nobody [G7] ever knows [C] when you [F] go
And where do you [E7] start
[Ebdim] Oh [C] oh [G7] into the [C] dark

Bright [Em] eyes [F] burning like [G7] fire [G7]
Bright [Em] eyes [F] how can you close and [Dm] fail
[E7] How can the [Am] light that [G7] burned so [C] brightly
[F] Suddenly burn so [Dm] pale
[G7] bright [C] eyes [C] [C!]
