thanks Graham Bilton

Working all **[D]** day and the sun don't **[G]** shine
 Trying to get **[A]** by and I'm just killing **[D]** time
 I feel the **[D]** rain fall the whole night **[G]** through
 Far away from **[Em]** you, **[A7]** California **[D]** blue

California **[G]** blue dreaming all a-**[D]**lone
 Nothing else to **[A7]** do California **[D]** blue
 Everyday I **[G]** pray I'll be on my **[D]** way
 Saving love for **[A7]** you California **[D]** blue

[A7] One sunny day, I'll get **[D]** back again
[G] Somehow, some-**[A]** way, but I **[D]** don't know when
 California **[A]** blue, California **[D]** blue
 Living my **[D]** life with you on my **[G]** mind
 Thinking of **[A]** things that I left far be-**[D]**hind
 It's been so **[D]** long doing all I can **[G]** do
 To get back to **[Em]** you, **[A]** California **[D]** blue

California **[G]** blue, (California blue)
 Dreaming all a-**[D]**lone (California blue)
 Nothing else to **[A]** do, (California blue), California **[D]** blue
 Everyday I **[G]** pray, I'll be on my **[D]** way
 Saving love for **[A7]** you California **[D]** blue

[A7] One sunny day, I'll get **[D]** back again
[G] Somehow, some-**[A]** way, but I **[D]** don't know when
 California **[A]** blue, California **[D]** blue

Still missing **[Em]** you, **[A]** California **[D]** blue
 Still missing **[Em]** you, **[A]** California **[D]** blue
 Still missing **[Em]** you, **[A]** California **[D]** blue
