It's not her [G] name but it's still a state
I've never tried to act as straight
Than [C]² talking to her, it's been al-[G]right
I wouldn't [G] say that she's got good taste
She always hates the guy she's dating
Oh, [C]² look at her, She's that [G] type [G!]

But she's so [G] sweet, (so sweet) And she's so good (so good)
But I won't ever be in her neck of the woods
Down in [C]² Georgia. (down in Georgia) Down in [C]² Georgia (down in Georgia)
And she's so [G] nice, (so nice) Looks so good. (so good)
I would see her only if I could
Down in [C]² Georgia. (down in Georgia) Down in [C] Georgia
[C!] Georgia's where I should [G]² be

I always [G] wonder if she'll text me back
She's almost giving me a heart attack
I'm [C] falling for her, but how could I [G] not?
I'm tempted just to get on a plane
Anything just to see her face
Oh, I [C] want her, I want her, I want her
With me [G]² now, and [C] e-vry-bo-dy [C!] knows that

She's so [G] sweet, (so sweet) And she's so good (so good)
But I won't ever be in her neck of the woods
Down in [C]² Georgia. (down in Georgia) Down in [C]² Georgia (down in Georgia)
And she's so [G] nice, (so nice) Looks so good. (so good)
I would see her only if I could
Down in [C]² Georgia. (down in Georgia) Down in [C] Georgia
[C] Georgia's where I should be

[G]/ Down, down in Georgia [G]/ Down, down in Georgia
[G]/ Down, down in Georgia [G]/ Down, down in Georgia
[C]/ Down, down in Georgia [C]/ Down, down in Georgia
[C]/ Down, down in Georgia [C]/ Down, down

She's so [G] sweet, (so sweet) And she's so good (so good)
But I won't ever be in her neck of the woods
Down in [C]² Georgia. (down in Georgia) Down in [C]² Georgia (down in Georgia)
And she's so [G] nice, (so nice) Looks so good. (so good)
I would see her only if I could
Down in [C]² Georgia. (down in Georgia) Down in [C] Georgia
[C] Georgia's where I should [G!] be
