Key G 3/4 Pick

**Intro: [G] [D] [G] [G]**

I [G] know that [C] I won't for [G] get you  
For I've [D] loved you too much for too [G] long [D]  
Though you [G] don't want me [C] now  
I'll still [G] love you  
Till the [D] breath in my body is [G] gone

That's how it [D] is with me and you'll [G] always be  
The [A] only love I ever [D] knew [D7]  
I'll for [G] get many [C] things in my [G] lifetime  
But my [D] darling I won't forget [G] you

That's how it [D] is with me and you'll [G] always be  
The [A] only love I ever [D] knew [D7]  
I'll for [G] get many [C] things in my [G] lifetime  
But my [D] darling I won't forget [G] you [G!]
