

I WON'T FORGET YOU
recorded by Jim Reeves
written by Harlan Howard

[3/4 pick]

[G] [G]

I [G] know that [C] I won't for [G] get you

For I've [D] loved you too much for too [G] long [D]

Though you [G] don't want me [C] now I'll still [G] love
you

Till the [D] breath in my body is [G] gone

That's how it [D] is with me and you'll [G] always be

The [A] only love I ever [D] knew [D7]

I'll for [G] get many [C] things in my [G] lifetime

But my [D] darling I won't forget [G] you

That's how it [D] is with me and you'll [G] always be

The [A] only love I ever [D] knew [D7]

I'll for [G] get many [C] things in my [G] lifetime

But my [D] darling I won't forget [G] you
