

If You Think You Know How To Love Me

(Mike Chapman & Nicky Chinn)

(Strum D DuDuDu)

Intro: / [Am] / [Am] /

[Am] Breathless drive on a downtown [G] street
[Am] Motorbike ride in the mid-day [G] heat
[C] Dust that hung from the desert [G] skies
Run though we'd run, it still [D] burned our eyes [D7alt]

Oh [Am] yes, we may walk on the wild, wild side of [G] life
And our [Am] movements traced by a stranger close by your [G] side
[C] In the shadows of a promise, you can [G] take my hand
And show me a way to [D] understand [D7alt]

Chorus:

So if you [Am] think you know how to [G] love me
And you [Am] think you know what I [G] need
And if you [Am] really, really [G] want me to stay
[D] You've got to lead the [D7alt] way
Yes if you [Am] think you know how to [G] love me
And you [Am] think you know what I [G] need
And if you [Am] really, really [G] want me to stay
[D] You've got to lead the [G] way. [G] Oh-oh-[Am]-oh [D]mm-mm-[G]-mmm

[Am] Reckless night in a nameless [G] town
[Am] Then we moved out of sight with a silent [G] sound
[C] A beach that wept, with deserted [G] waves
That's where we slept, knowing [D] we'd be safe [D7alt]

Now you may [Am] think you can walk on the wild, wild side with [G] me
But there's a [Am] lot I can learn and a lot that I've yet to [G] see
[C] I know you've got my life, lying [G] in your hands
It's up to you to make me [D] understand [D7alt]

Chorus:

So if you [Am] think you know how to [G] love me
And you [Am] think you know what I [G] need
And if you [Am] really, really [G] want me to stay
[D] You've got to lead the [D7alt] way
Yes if you [Am] think you know how to [G] love me
And you [Am] think you know what I [G] need
And if you [Am] really, really [G] want me to stay
[D] You've got to lead the [G] way.
[G] Oh-oh-[Am]-oh [D]mm-mm-[G]-mmm [G!]
