

PERHAPS LOVE  
Artist and Writer John Denver

Key D 4/4 Pick

Intro: [D] [Bm] [Em] [A] [D] [Bm] [Em] [A]

Perhaps [D] love is like a [Bm] resting place,  
a [Em] shelter from the [A] storm  
It [D] exists to give you [Bm] comfort,  
it is [Em] there to keep you [A] warm  
And [F#m] in those times of [Bm] trouble,  
when [G] you are most [A] alone  
The [G] memory of [A] love will bring you [D] home [A]

Perhaps [D] love is like a [Bm] window,  
[Em] perhaps an open [A] door  
It in[D]vites you to come [Bm] closer,  
it [Em] wants to show you [A] more  
And [F#m] even if you [Bm] lose yourself,  
and [G] don't know what to [A] do  
The [G] memory of [A] love will see you [D] through

(Faster)

Oh [F#m] Love to some is [Bm] like a cloud,  
to [G] some as [A] strong as [D] steel  
For [F#m] some a way of [Bm] living, for [G] some a [A] way to [D] feel  
And [F#m] some say love is [Bm] holding on,  
and [G] some say letting [D] go  
And [F#m] some say love is [Bm] everything,  
and [G] some say they don't [A] know [A7]

Perhaps [D] love is like the [Bm] ocean,  
full of [Em] conflict, full of [A] pain  
Like a [D] fire when it's [Bm] cold outside, [Em] thunder when it [A] rains  
If [F#m] I should live for [Bm] ever, and [Em] all my dreams come [A] true  
My [G] memories of [A] love will be of [D] you
