Intro: [C] [Am] [Dm] [G] [C] [Am] [Dm] [G] **pause**

Perhaps [C] love is like a [Am] resting place,  
a [Dm] shelter from the [G] storm  
It [C] exists to give you [Am] comfort  
it is [Dm] there to keep you [G] warm  
And [Em] in those times of [Am] trouble, when [F] you are most [G] alone  
The [F] memory of [G] love will bring you [C] home [G] **pause**

Perhaps [C] love is like a [Am] window,  
[Dm] perhaps an open [G] door  
It in[C]vites you to come [Am] closer,  
it [Dm] wants to show you [G] more  
And [Em] even if you [Am] lose yourself, and [F] don't know what to [G] do  
The [F] memory of [G] love will see you [C] through

(Faster)

Oh [Em] Love to some is [Am] like a cloud, to [F] some as [G] strong as [C] steel  
For [Em] some a way of [Am] living, for [F] some a [G] way to [C] feel  
And [Em] some say love is [Am] holding on, and [F] some say letting [C] go  
And [Em] some say love is [Am] everything, [F] some say they don't [G] know  
[G7] **pause**

Perhaps [C] love is like the [Am] ocean, full of [Dm] conflict, full of [G] pain  
Like a[C] fire when it's [Am] cold outside, [Dm] thunder when it [G] rains  
If [Em] I should live for[Am] ever, and  
[Dm] all my dreams come [G] true  
My [F] memories of [G] love will be of [C] you
