[G] Summer in the city where the air is still. A baby being born to the overkill
[C] Who cares what people say. We walk down love's motorway
A [G] vision of love wearing boxing gloves, and singing hearts and flowers

[C] Somewhere in my heart there is a [B] star that shines for you
[C] Silver splits the blue, [G] Love will see it through
And [C] somewhere in my heart there is the [B] will to set you free
[C] All you've got to [Cm] be is [G] true

A [G] star above the city in the northern chill. A baby being born to the overkill
[C] No say no place to go. A T.V. and a radio
A [G] vision of love wearing boxing gloves, and singing hearts and flowers

[C] Somewhere in my heart there is a [B] star that shines for you
[C] Silver splits the blue, [G] Love will see it through
And [C] somewhere in my heart there is the [B] will to set you free
[C] All you've got to [Cm] be is [G] true

[D] But who could heal? What's never been as one
And our [Cm] hearts have been torn, since the day we were born
Just like [B] anyone

[Eb] From Westwood to Hollywood, the one thing that's understood
Is that you [D] can't buy time, but you can sell your soul
And the closest thing to heaven is to rock and roll
